Space and Time: The Rhythm’s in Time
The Unknown opens new horizon of becoming!

Geometry is ‘number in space’

Music is ‘number in time’

How do we rediscover and reawaken the music of one another’s soul?
Any time left for Soul growth?

Is another major Paradigm shift possible?
What will it take to recapture the “breath of life?”
There is a fig tree in ancient story, the giant Ashwattha, the everlasting, rooted in heaven, its branches earthward: each of its leaves is a song of the Vedas, and he who knows it knows all the Vedas.” (Bhagavad Gita 15:1)
What are the Real Dynamics?

**FIRE**
- Is More Enough?
- Loans
- Taxes
- Wages & Salaries
- Interest
- Public Spending

**WEEP**
- Does “Making & Servicing” bring real Meaning?
- Loans
- Taxes
- Wages & Salaries
- Interest
- Public Spending

**SPICE**
- Could Less be More?
- Culture
- Education
- Spirited People

Key: FIRE=Finance, Insurance, Real Estate; WEEP=Waste, Energy, Employment, Production; SPICE: Spirited People, Intellect, Culture & Intellect; & HE+LL=Health + Wellness (for too many!)

*Shadow Finance*: complex & opaque, excess leverage, lax regulation, endless search for yields, off balance-sheet activities, supported by compounding, & through such things as fraud (repos), excess bonuses, securitization, derivatives (CDS, CDO, etc.) in Hedge Funds & Private Equity.

Isn't the real Challenge ahead of us?
As “Leaders” how can we contribute positively?

“Greeder Reactor”™

Can Government cope with the Complexity?

Is it possible to “Live Lightly & Lively?”

Will automation eliminate too many jobs just as the population is increasing?

Has the “Invisible Hand” now become the “Pickpocket” of Society?

Is a “Low Carbon” Society possible?

Note: The “Greeder Reactor” term was created by CMS in April, 2010
